

PRODUCT DATA SHEET

Fabric Backed Vinyl Wallpaper

Product: Commercial quality fabric backed vinyl wallpaper

Finish 'Linen Texture' or 'Smooth Semi Matt'

Size: up to 120cm wide x length to match wall height requirement (3.5m maximum)

Weight: 410gsm

Installation: This is a 'paste the wall' product.

Fire Rating: Class 0 and Class 1 to BS476 part 7 when adhered to a suitable substrate

Storage: Store at ambient temperatures away from heat sources and direct sunlight.

Adhesive: Pre-mixed water based adhesive suitable for heavy weight fabric backed vinyl wallpaper.
Printamural recommend: Murabond Adhesives available from www.muraspec.com
Tekfix Plus Adhesive available from www.tekturaonline.com

Wall Primer: If required, we recommend: Murabond PVA Primer available from www.muraspec.com
Tekfix PVA Primer available from www.tekturaonline.com

Installation: Refer to Printamural Wallpaper Installation Guide

Maintenance: This product offers some reasonable resistance to light knocks and scuffs.

If necessary, clean with a mild non-soapy detergent and clean soft cloth or sponge. Do not use polishes, abrasive cleaning agents or solvent based cleaning agents. Always carry out a cleaning trial in an inconspicuous area first, to ensure the cleaning agent is suitable.

With care the product will retain its original appearance for 3 – 5 years, depending on the area of use.
