

## PRODUCT DATA SHEET

### Self Adhesive Wallpaper

Product: Commercial quality self-adhesive polypropylene wallpaper

Finish: Smooth Semi Matt

Size: up to 120cm wide x length to match wall height requirement (3.5m maximum)

Weight: 220gsm (film and adhesive)

Installation: Self-adhesive, easy to install and re-position

Fire Rating: Due to its chemical composition polypropylene does not have a fire rating

Storage: Store at ambient temperatures away from heat sources and direct sunlight.

Adhesive: none required

Wall Primer: not applicable

Installation: Refer to Printamural Wallpaper Installation Guide

Maintenance: This product offers some reasonable resistance to light knocks and scuffs.

If necessary, clean with a mild non-soapy detergent and clean soft cloth or sponge. Do not use polishes, abrasive cleaning agents or solvent based cleaning agents. Always carry out a cleaning trial in an inconspicuous area first, to ensure the cleaning agent is suitable.

With care the product will retain its original appearance for 3 – 5 years, depending on the area of use.
